

# I Just Fall in Love Again – Anne Murray

"I Just Fall In Love Again"

Dreaming, I must be dreaming  
Or am I really lying here with you?  
Baby, you take me in your arms  
And though I'm wide awake, I know my dream is coming true

And, oh, I just fall in love again  
Just one touch and then it happens every time  
And there I go, I just fall in love again and when I do  
I can't help myself, I fall in love with you

Magic, it must be magic  
The way I hold you and the night just seems to fly  
So easy for you to take me to a star  
Heaven is that moment when I look into your eyes

And, oh, I just fall in love again  
Just one touch and then it happens every time  
And there I go, I just fall in love again and when I do  
I can't help myself, I fall in love with you, you, you, oh
