Every minute – Annihilator

I can't believe this is the end
I've so many thing left to do
When it's over and when it's done
Will you remember me too
I don't wanna know
I don't wanna hear
I gotta find something to blame
Too blind to see
The writings on the wall
So was it all in vain
Our destiny oh can't you see
The bell begins to chime
It's not too late so don't hesitate
We're runnin' out of time
Try to give it
Give it all you got
Live every minute
Before it's time to rot
Try to give it
'cause death is calling you
Live every minute
Before your time is through
Yeah so many chances
And so many dreams
Too many regrets to ignore
And I'm beggin' for mercy
I'm beggin' on my knees
I can't take this anymore
Our destiny
Oh can't you see
The bell begins to chime
It's not too late
So don't hesitate
We're runnin' out of time
Try to give it
Give it all you got

Live every minute
Before it's time to rot
Try to give it
'cause death is calling you
Live every minute
Before your time is through
Please say a prayer
For the dyin'
And now I must say goodbye
My time is up
And I'm full of regret
Don't let life pass you by
Our destiny
Oh can't you see
The bell begins to chime
It's not too late
So don't hesitate
We're runnin' out of time
Try to give it
Give it all you got
Live every minute
Before it's time to rot
Try to give it
'cause death is calling you
Live every minute
Before your time is through
Ooh ooh ooh yeah huh huh huh haa
'Cause death is calling you
It's calling you
Your time is through
Your time is through
Calling you
Death is calling for you ooh
