## Not strong enough – Apocalyptica

I'm not strong enough to stay away Can't run from you I just run back to you Like a moth I'm drawn in to your flame, Say my name, but it's not the same You look in my eyes, I'm stripped of my pride And my soul surrenders, And you bring my heart to it's knees And it's killin' me when you're away, I wanna leave and I wanna stay And I'm so confused, So hard to choose Between the pleasure and the pain And I know it's wrong, and I know it's right Even if I try to win the fight, My heart would overrule my mind And I'm not strong enough to stay away I'm not strong enough to stay away What can I do I would die without you In your presence my heart knows no shame I'm not to blame Cause you bring my heart to it's knees And it's killin' me when you're away, I wanna leave and I wanna stay And I'm so confused, So hard to choose Between the pleasure and the pain And I know it's wrong, and I know it's right Even if I try to win the fight, My heart would overrule my mind And I'm not strong enough to stay away There's nothing I can do My heart is chained to you And I can't get free Look what this love's done to me And it's killin' me when you're away,

I wanna leave and I wanna stay And I'm so confused, So hard to choose Between the pleasure and the pain And I know it's wrong, and I know it's right Even if I try to win the fight, My heart would overrule my mind And I'm not strong enough to stay away Not strong enough, strong enough Not strong enough, strong enough To stay away Not strong enough, strong enough Not strong enough, strong enough Not strong enough, strong enough I'm not strong enough to stay away
