

Be a man – Aqua

The world is quiet,
Like there's no one around,
But I feel you beside me
I know the secrets,
You keep locked away inside,
Don't understand, why you're fighting
I know, she must be special,
This new girl by your side,
I seek for answers, when I look into your eyes,
And he turns, I can't, but I will be strong

For once in your life, be a man,
Just tell me the words, '
Cause I know That you can,
Don't leave me with scars,
That no one can heal
For once in your life, be a man

You made me love you,
Love you right from the start
You're controlling my heart, babe
Don't pack your bags yet
Give me time to say goodbye
Just don't leave me wounded
No, I just hope you will regret the things you do
Come back to me,
'Cause our love is the real thing
And he turns, I can't, but I will be strong

For once in your life, be a man,
Just tell me the words, '
Cause I know That you can,
Don't leave me with scars,
That no one can heal
For once in your life, be a man

I knew that I,
I fought to keep our love strong
If you leave me now,
You come running back for more, babe
And I hope for, and I wish for,
And I pray, that the words from your mouth can,
Eventually make you a man
For once in your life, Be a man
When everything stops
For a minute in your life,
I'll hope that,

For once in your life, be a man
Just tell me the words,
'cause I know that you can,
Don't leave me with scars,
That no one can heal
For once in your life, be a man
Be a man
Tell me the words
Once in your life
Be a man
Tell me the words
