

Not Alone – Aram MP3

You're all alone, you're all alone
No shoulder wants you to lean on
You thought this world was too cold
And you've made up a whole new world
Don't cry, don't cry, little bird
Though you are scared and you're hurt
You're gonna wake up, it's only a dream
And why do dreams make people scream?
You're not alone
You're not alone
You're not alone
You're not alone
You're not alone
You're not alone
What if it's all in one kiss?
That turns all seeds into trees, yeah
The strongest wind into breeze
Enter all doors without keys, yeah
What if it's all in one kiss?
That turns all seeds into trees
The strongest wind into breeze, yeah
What if it's all in one kiss?
You're not alone
You're not alone
