## **Dooset Daram - Arash**

I remember when I met you

You were walking in the rain

And the autumn leaves were falling

Only you can kiss the pain

Only you can kiss the pain

Har shab too khateratam

Donbale rade patam

Beri harjaye donyaa Pa be patam

Are pa be patam

Dooset daram Dooset daram

Bemoon ba man

Only you can kiss the pain

It's driving me insane

When the clouds turn into rain

Dooset daram Dooset daram

Bemoon ba man

Only you can kiss the pain

It's driving me insane

It's driving me insane

You disappeared into the darkness

But our memory lives

On I dream there's no tomorrow

I wake up and you are gone

I wake up and you are gone

Bargard nazaar dobare

Az chesham baroon bebare

Bia k ghalbe tanhaam

Paeeze bi bahare

Paeeze bi bahare

Dooset daram Dooset daram

Bemoon ba man

Only you can kiss the pain

It's driving me insane

When the clouds turn into rain

Dooset daram Dooset daram

Bemoon ba man

Only you can kiss the pain
It's driving me insane
It's driving me insane
Dooset daram Dooset daram Dooset daram
Bemoon ba man
Only you can kiss the pain
It's driving me insane
It's driving me insane
