

# Think (Freedom) – Aretha Franklin

Think

Think

Think

Think

Ooo think

Think

Think about

You better think

Think about what you're trying to do to me

Yeah, think, let your mind go, let yourself be free

Let's go back, let's go back,

Let's go way on back when

I didn't even know you,

You came to me and too much you wouldn't take

I ain't no psychiatrist,

I ain't no doctor with degree

It don't take too much high IQ's

To see what you're doing to me

You better think

Think about what you're trying to do to me

Yeah, think

Let your mind go, let yourself be free

Oh freedom

Freedom

Freedom

Yeah freedom

Freedom

Freedom

Freedom

Ooh freedom

Hey! think about it

There ain't nothing you could ask

I could answer you but I won't

I was gonna change,

But I'm not, to keep doing things I don't

You better think

Think about what you're trying to do to me

Yeah, think

Let your mind go, let yourself be free

People walking around everyday

Playing games that they can score

And I ain't gonna be the loser my way

Ah, be careful you don't lose yours

You better think

Think about what you're trying to do to me

Yeah, think

Let your mind go, let yourself be free

You need me

And I need you

Without eachother

There ain't nothing people can do

Oh freedom

Freedom

Freedom

Yeah freedom

Freedom

Freedom

Freedom

Ooh freedom

Hey! think about it

There ain't nothing you could ask

I could answer you but I won't

I was gonna change,

But I'm not,

If you're doing things I don't

You better think

Think about what you're trying to do to me

Yeah, think

Let your mind go, let yourself be free

You need me

And I need you

Without eachother

There ain't nothing people can do

Think about it

Yeeeee
