

Dandelion – Ariana Grande

Mean what I say, say what I mean
Not one to play, I am as you see
I give my word
These other boys,
They're one and the same, mm
I'm tryna say I want you to stay, mm
I got (Got), what you need (You need)
I'm thinking you should plant this seed
I get this sounds unserious
But, baby boy, this is serious

[Chorus]

And, yes, I promise, if I'm being honest
You can get anything you'd like
Can't you see I bloom at night?
Boy, just don't blow this,
got me like, "What's your wish list?"
You can get anything you'd like
I'll be your dandelion, mm

[Verse 2]

You like how I pray, the secret's in me, mm
'Cause, boy, come what may,
I'm here on my knees
These other flowers don't grow the same
So just leave it here with me,
let's get dirty, dirty
'Cause if I got (Got),
what you need (You need)
I'm thinking you should plant this seed
I get this sounds unserious
But, baby boy, this is serious
And, yes, I promise, if I'm being honest
You can get anything you'd like
Can't you see I bloom at night?
Boy, just don't blow this,
Got me like, "What's your wish list?"
You can get anything you'd like

I'll be your dandelion, mm
Mm, yeah, I'm just being, I'm honest
You know me, I'm just being, mm
Mm, I promise, I'm just being honest
So, boy, just come blow this
Know I'm on your wish list
And, yes, I promise (Oh, yeah, yeah),
if I'm being honest (If I'm being)
You can get anything you'd like
Can't you see I bloom at night?
Boy, just don't blow this, got me like,
"What's your wish list?"
You can get anything you'd like
I'll be your dandelion, mm
