

God Is A Woman – Ariana Grande

You, you love it how I move you
You love it how I touch you
My one, when all is said and done
You'll believe God is a woman
And I, I feel it after midnight
A feeling that you can't fight
My one, it lingers when we're done
You'll believe God is a woman

I don't wanna waste no time, yeah
You ain't got a one-track mind, yeah
Have it any way you like, yeah
And I can tell that you know I know how I want it
Ain't nobody else can relate
Boy, I like that you ain't afraid
Baby, lay me down and let's pray
I'm tellin' you the way I like it, how I want it

(Yeah)
And I can be all the things you told me not to be
(Yeah)
When you try to come for me, I keep on flourishing
(Yeah)
And he see the universe when I'm in company
It's all in me

You, you love it how I move you
You love it how I touch you
My one, when all is said and done
You'll believe God is a woman
And I, I feel it after midnight
A feeling that you can't fight
My one, it lingers when we're done
You'll believe God is a woman

I tell you all the things you should know

So, baby, take my hand, save your soul
We can make it last, take it slow, hmm
And I can tell that you know I know how I want it, yeah
That you different from the rest
And boy, if you confess, you might get blessed
See if you deserve what comes next
I'm tellin' you the way I like it, how I want it

(Yeah)

And I can be all the things you told me not to be

(Yeah)

When you try to come for me, I keep on flourishing

(Yeah)

And he see the universe when I'm in company

It's all in me

You, you love it how I move you

You love it how I touch you

My one, when all is said and done

You'll believe God is a woman

And I, I feel it after midnight

A feeling that you can't fight

My one, it lingers when we're done

You'll believe God is a woman, yeah, yeah

(God is a woman)

Yeah, yeah

(God is a woman, yeah)

My one

(One)

When all is said and done

You'll believe God is a woman

You'll believe God

(God is a woman)

Oh, yeah

(God is a woman, yeah)

(One)

It lingers when we're done

You'll believe God is a woman
