

Into (end of the world) – Ariana Grande

How can I tell
If I'm in the right relationship?
Aren't you really supposed to know that shit?
Feel it in your bones and own that shit?
I don't know
Then I had this interaction
I've been thinking 'bout for like five weeks
Wonder if he's thinking
'bout it too and smiling
Wonder if he knows that that's been
What's inspiring me
Wonder if he's judging me like I am right now
I don't care
I'd rather tell the truth
Than make it worse for you
If the sun refused to shine
Baby, would I still be your lover?
Would you want me there?
If the moon went dark tonight
And if it all ended tomorrow
Would I be the one on your mind?
Your mind? Your mind?
And if it all ended tomorrow
Would you be the one on mine?
Please, pay me no mind
While I jump into your
Skin and change your eyes
So you see things through mine
Can't you sense me? I've been right
Here all this time (All this time)
Would you still be here pretending
You still like me?
Pretending you don't regret
Not thinking before asking
Now you're long gone in Cali
And me, I'm still unpacking (Still unpacking)

Why I even allowed you on the flight
I broke your heart because you broke mine
So me, I am the bad guy (I am the bad guy)
'Cause I'd already grieved you
And you started to realize
I do need ya, I did (Mm)
I wish I could un-need ya, so I did
