

# Into You – Ariana Grande

I'm so into you, I can barely breathe  
And all I wanna do is to fall in deep  
But close ain't close enough 'til we cross the line, baby  
So name a game to play, and I'll role the dice, hey

[Pre-Chorus:]

Oh baby, look what you started  
The temperature's rising in here  
Is this gonna happen?  
Been waiting and waiting for you to make a move  
(Woo, oh, oh, oh)  
Before I make a move  
(Woo, oh, oh, oh)

[Chorus:]

So baby, come light me up and maybe I'll let you on it  
A little bit dangerous, but baby, that's how I want it  
A little less conversation,  
And a little more touch my body  
Cause I'm so into you, into you, into you  
Got everyone watchin' us, so baby, let's keep it secret  
A little bit scandalous, but baby, don't let them see it  
A little less conversation and a little more touch my body  
Cause I'm so into you, into you, into you, oh yeah

[Verse 2:]

This could take some time, hey  
I made too many mistakes  
Better get this right, right, baby

[Pre-Chorus:]

Oh baby, look what you started  
The temperature's rising in here  
Is this gonna happen?  
Been waiting and waiting for you to make a move  
(Woo, oh, oh, oh)

Before I make a move  
(Woo, oh, oh, oh)

[Chorus:]

So baby, come light me up and maybe I'll let you on it  
A little bit dangerous, but baby, that's how I want it  
A little less conversation,  
And a little more touch my body  
Cause I'm so into you, into you, into you  
Got everyone watchin' us, so baby, let's keep it secret  
A little bit scandalous, but baby, don't let them see it  
A little less conversation and a little more touch my body  
Cause I'm so into you, into you, into you

[Bridge:]

Tell me what you came here for  
Cause I can't, I can't wait no more  
I'm on the edge with no control  
And I need, I need you to know  
You to know, oh

[Chorus:]

So baby, come light me up and maybe I'll let you on it  
A little bit dangerous, but baby, that's how I want it  
A little less conversation,  
And a little more touch my body  
Cause I'm so into you, into you, into you  
Got everyone watchin' us, so baby, let's keep it secret  
A little bit scandalous, but baby, don't let them see it  
A little less conversation and a little more touch my body  
Cause I'm so into you, into you, into you

[Outro:]

So come light me up, so come light me up my baby  
A little dangerous, a little dangerous my baby  
A little less conversation and a little more touch my body  
Cause I'm so into you, into you, into you
