

# Like that (Jada) – Ariana Grande

And get yo weight up (Get your weight up,)  
I'ma go to work,  
You better wait up (Better wait up, yuh)  
He will if you won't get you a jada  
Be there when I get home now  
I don't know what you been told  
But you should know how to play your role  
Let go, when I say so  
It seems you want me to take control  
Do you like that? Do you like that?  
Do you like that? I know you like that  
Do you like that? Do you like that?  
Do you like that? I know you like that  
Listen (Yeah, yeah, listen, yeah)  
I wanna see you up in the kitchen  
Cooking, cleaning yeah, and washing dishes  
You know you're one of my favorite bitches  
I'll never let you go now  
I don't know what you been told  
But you should know how to play your role  
Let go, when I say so  
It seems you want me to take control  
Do you like that? Do you like that? (Yeah)  
Do you like that? I know you like that (Yeah)  
Do you like that? Do you like that? (Yeah)  
Do you like that? I know you like that  
Why do you care  
why do you care If I talk to ya? (Oh, yeah)  
Less of a man,  
less of a man If I do it to ya? (Oh, yeah)  
What if I do, what if I don't?  
Do you liken it to me? (Oh, yeah)  
Would you stay, or would you stay  
Or would you give it to me?

Do you like that? Do you like that? (Yeah)
