

# My everything – Ariana Grande

I cried enough tears to see my own

Reflection in them

And then it was clear

I can't deny I really miss it

To think that I was wrong

I guess you don't know what you got

'til it's gone

Pain is just a consequence of love

I'm saying sorry for the sake of us

[Chorus]

He wasn't my everything 'til we were nothing

And it's taking me a lot to say

Now that he's gone, my heart

Is missing something

So it's time I push my pride away

'Cause you are, you are

You are my everything

You are, you are

You are my everything

[Verse 2]

I know you're not far,

But I still can't handle all the distance

You're travelling with my heart

I hope this is a temporary feeling

'Cause it's too much to bear without you

And I know "sorry" ain't the cure

If I cross your mind, just know I'm yours

'Cause what we got is worth fighting for

'Cause you are

[Chorus]

You weren't my everything

'til we were nothing

And it's taking me a lot to say

Now that you're gone, my heart

Is missing something

So it's time I push my pride away

You are, you are  
You are my everything  
You are, you are  
You are my everything  
[Outro]  
Ooh, hmm, ha, yeah  
You are, you are, you are, ooh  
You are, you are, you are  
My everything
