

# Needy – Ariana Grande

If you take too long to hit me back  
I can't promise you how I'll react  
But all I can say is at least I'll wait for you  
Lately, I've been on a roller coaster  
Tryna get a hold of my emotions  
But all that I know is I need you close

And I'ma scream and shout for what I love  
Passionate, but I don't give no fucks  
I admit that I'm a lil' messed up  
But I can hide it when I'm all dressed up  
I'm obsessive and I love too hard  
Good at overthinking with my heart  
How you even think it got this far, this far?

And I can be needy, way too damn needy  
I can be needy, tell me how good it feels to be needed  
I can be needy, so hard to please me  
I know it feels so good to be needed

Sorry if I'm up and down a lot (Yeah)  
Sorry that I think I'm not enough  
And sorry if I say sorry way too much  
You can go ahead and call me selfish (Selfish)  
But after all this damage, I can't help it (Help it)  
But what you can trust is I need your touch

I'ma scream and shout for what I love  
Passionate, but I don't give no fucks  
I admit that I'm a lil' messed up  
But I can hide it when I'm all dressed up  
I'm obsessive and I love too hard  
Good at overthinking with my heart  
How you even think it got this far, this far?

And I can be needy, way too damn needy

I can be needy, tell me how good it feels to be needed  
I can be needy, so hard to please me  
I know it feels so good to be needed
