

Popular (from Wicked) – Ariana Grande

Elphie

Now that we're friends,
I've decided to make you my new project

[ELPHABA, spoken]

Oh, you really don't have to do that

[GALINDA, spoken]

I know!

That's what makes me so nice

[GALINDA]

Whenever I see someone less fortunate than I

And let's face it, right? Who isn't

Less fortunate than I?

My tender heart tends to start to bleed

And when someone needs a makeover,

I simply have to take over

I know, I know exactly what they need

And even in your case

Though it's the toughest case

I've yet to face

Don't worry, I'm determined to succeed

Follow my lead

And yes, indeed

You will be, ah

Popular

You're gonna be popular

I'll teach you the proper ploys

When you talk to boys

Little ways to flirt and flounce, ooh!

I'll show you what shoes to wear,

How to fix your hair

Everything that really counts to be popular

I'll help you be popular

You'll hang with the right cohorts,

You'll be good at sports

Know the slang you've got to know

So let's start

'cause you've got an awfully long way to go
Don't be offended by my frank analysis
Think of it as personality dialysis
Now that I've chosen to become a pal
A sister and adviser, there's nobody wiser
Not when it comes to
Popular
I know about popular
And with an assist from me
To be who you'll be
Instead of dreary who-you-were
Well, are!
There's nothing that can stop you
From becoming populer... —lar!
La-la, la-la
We're gonna make you popular
When I see depressing creatures
With unprepossessing features
I remind them on their own behalf to think of
Celebrated heads of state
Or especially great communicators
Did they have brains or knowledge?
[GALINDA, spoken]
Don't make me laugh
[GALINDA]
They were
[ELPHABA, spoken]
Popular
[GALINDA, spoken]
Right!
It's all about popular
It's not about aptitude,
It's the way you're viewed
So it's very shrewd to be
Very, very popular like me, me
And though you protest
Your disinterest
I know clandestinely
You're gonna grin and bear it,
Your newfound popularity (Woo!)

La-la, la-la
La-la, la-la
La-la, ooh
You'll be popular
Just not quite as popular as me
