## Side to side - Ariana Grande

I'm talkin' to ya See you standing over there with your body Feeling like I wanna rock with your body And we don't gotta think 'bout nothin' I'm comin' at ya 'Cause I know you got a bad reputation Doesn't matter, 'cause you give me temptation And we don't gotta think 'bout nothin' These friends keep talkin' way too much Say I should give you up Can't hear them, no, 'cause I... I've been here all night I've been here all day And boy, got me walkin' side to side I've been here all night I've been here all day And boy, got me walkin' side to side Been tryna hide it Baby, what's it gonna hurt If they don't know? Makin' everybody think that we solo Just as long as you know you got me And boy, I got ya 'Cause tonight I'm making deals With the devil And I know it's gonna get me in trouble Just as long as you know you got me These friends keep talkin' way too much Say I should give you up Can't hear them, no, 'cause I... I've been here all night I've been here all day And boy, got me walkin' side to side
