# Too close – Ariana Grande

Ou know what I want, I know what you don't
I should be the one you love, oh
Boy, you got my mind playing truth or dare
Daring me to kiss you right here
But we've been friends so long
And it seems so wrong
And everyone can see you're perfect for me
But I just can't let it show, oh,
I've been thinking about you
Boy, it's killing me and
I got to let you know
Baby, tell me, do you feel it like I do?
'Cause we both know what could go
Down if we got too close
Ah, ah, ah, but if we get too close
Ah, ah, ah, down if we get too close
Remember that girl that you used to date?
She with my ex-boyfriend, that's great
So, what would you do?
What would you say if
I said I loved you that way?
But we've been friends so long
And it seems so wrong
And everyone can see, you're perfect for me
But I just can't let it show, oh
I've been thinking about you
Boy, it's killing me
And I got to let you know
Baby, tell me, do you feel it like I do?
'Cause we both know what could go
Down if we got too close
Ah, ah, ah, but if we get too close
Ah, ah, ah, down if we get too close
All my ladies, all my ladies,
All my ladies, make noise
All my ladies, all my ladies,

All my ladies, make noise
All my ladies, all my ladies,
All my ladies, make noise
All my ladies, all my ladies,
All my ladies, make noise
But I can't just let it show, oh
I've been thinking about you
Boy, it's killing me and I
Got to let you know
Baby, tell me, do you feel it like I do?
'Cause we both know what could go
Down if we get too close
Ah, ah, ah, but if we get too close
Ah, ah, ah, down if we get too close
Ah, ah, ah, but if we get too close
Ah, ah, ah, down if we get too close
Ah, ah, ah,
Ah, ah, ah,
Ah, ah, ah,
Ah, ah, ah,
