

# we can't be friends (wait for your love) – Ariana Grande

I didn't think you'd understand me  
How could you ever even try  
I don't want to tiptoe  
But i don't wanna hide  
But i don't want to feed this monstrous fire  
Just want to let this story die  
and i'll be alright

We can't be friends  
But i'd like to just pretend  
You cling to your papers and pens  
Wait until you like me again  
Wait for your love  
Love  
I'll want for your love

Me and my truth we sit in silence  
Mhmm-mm  
Baby girl it's just me and you  
Cause i don't wanna argue  
But i don't wanna bite  
My tongue yeah i think i'd rather die  
You got me misunderstood  
But at least i look this good

We can't be friends  
But i'd like to just pretend  
You cling to your papers and pens  
Wait until you like me again  
Wait for your love  
Love  
I'll want for your love  
I'll want for your love  
Love  
I'll want for your love

Know that you made me  
I don't like how you paint me  
Yet i'm still here hanging  
Not what you made me  
Something like a daydream  
But i feel so seen in the night  
So for now it's only me  
And maybe that's all i need

We can't be friends  
But i'd like to just pretend  
You cling to your papers and pens  
Wait until you like me again  
Wait for your love  
Love  
I'll want for your love  
I'll want for your love  
Love  
I'll want for your love
