

# Southbound – Artemas

Lord forgive me  
I've  
Got an appetite  
When she looks at me  
Like that  
I want to kiss you ugh  
Baby likes it messy  
And she loves to cause a scene  
Touchin me in public  
Like she wants the world to see  
All the things you do to me  
I dont care if youre using me  
I just wanna ruin these sheets  
Oh yeah  
I want to kiss you on the mouth  
Take my tounge and lead it  
Southbound  
Baby pu some faith in me  
Put your waist  
In my facd  
Cmon violate me  
I want you to violate me  
Bite my lip  
Im fallin for ya  
You ask im crawlin on my knees  
At your feet  
I can help you with your demons  
I wanna bring em to life  
Dont keep them burried inside  
Just wanna fuck you all night  
Like a pornstar  
Lord forgive me  
I've  
Got an appetite  
When she looks at me  
Like that

I wanna kiss you on the mouth  
Take my tounge and lead it  
Southbound  
Baby put some faith in me  
Put your waist  
In my face  
Cmon violate me  
I want you to violate me  
I want to kiss you on the mouth  
Take my tounge and lead it  
Southbound  
Baby put some faith in me  
Put your waist  
In my face  
Cmom violate me  
I want you to violate me
