

# Asfasf – asffas

Sunlight comes creeping in,  
Illuminates our skin  
We watch the day go by,  
Stories of who we take  
It made me think of you,  
It made me think of you  
Under a trillion stars,  
We danced on top of cars  
Took pictures of the stage,  
So far from where we are  
They made me think of you,  
They made me think of you  
Oh-oh-oh, let's go down  
In the moment we're lost and found  
I just wanna be by your side  
If these wings could fly  
For the rest of our lives  
I'm in a foreign state,  
My thoughts they slip away  
My words are leaving me,  
They caught an aeroplane  
Because I thought of you,  
Just for the thought of you  
Oh-oh-oh, lights go down  
In the moment we're lost and found  
I just wanna be by your side  
If these wings could fly  
Ohh, damn these walls  
In the moment we're ten feet tall  
And how you told me after it all  
We'd remember tonight  
For the rest of our lives  
If these wings could fly  
Oh, lights go down  
In the moment we're lost and found  
I just wanna be by your side

If these wings could fly  
Oh, damn these walls  
In the moment we're ten feet tall  
And how you told me after it all  
We'd remember tonight  
For the rest of our life
