

# Solid – Ashford & Simpson

And for love's sake, each mistake  
Ah, you forgave  
And soon both of us learned to trust  
Not run away, it was no time to play  
We build it up and build it up  
And build it up  
And now it's solid  
Solid as a rock  
That's what this love is  
That's what we've got, oh  
Solid, solid as a rock  
And nothing's changed it  
The thrill is still hot, hot, hot, hot,  
Hot, hot, hot, hot  
Oh, you didn't turn away  
When the sky went gray  
Somehow we managed  
We had to stick together (oh, oh)  
You didn't bat an eye  
When I made you cry  
We knew down the line  
We would make it better (oh, oh)  
And for love's sake, each mistake  
Ah, you forgave  
And soon both of us learned to trust  
Not run away, it was no time to play  
We build it up and build it up  
And build it up  
Solid, solid as a rock  
And nothing's changed it  
The thrill is still hot, hot, hot,  
Hot, hot, hot, hot, hot  
Oh, knock-knock on wood  
You understood  
Love was so new  
We did what we had to (ooh, ooh)

And with that feeling  
We were willing to take a chance  
So against all odds, we made a start  
We got serious, this wouldn't turn to dust  
We build it up and build it up  
And build it up  
And now it's solid  
Solid as a rock  
That's what this love is, oh  
That's what we've got, oh  
Solid (yes, it is)  
Solid as a rock  
And nothing's changed it  
The thrill is still hot, hot, hot,  
Hot, hot, hot, hot, hot  
Solid
