

Slumber party – Ashnikko

I'm not shy, I'll say it
I've been picturing you naked
I'm a little faded
You look like a fuckin' paintin'
Big dough, ice, amazin'
She's everything I've been prayin'
My heart palpitation
She looks like the type to break it
Me and your girlfriend playin' dress up
At my house
I gave your girlfriend cunnilingus
On my couch
She cute, kawaii, hentai boobies,
That excites me
I think she really likes me,
Asked politely, can I (woo-hoo)
(Ooh, woo-oooh, woo-oooh) slumber party
(Ooh, woo-oooh, woo-oooh) slumber party
(Ooh, woo-oooh, woo-oooh) slumber party
(Ooh, woo-oooh, woo-oooh) slumber party
Uh, it's getting hot in here
I'm the Nelly in the party
With some rocks for ears (so hot in here)
I'm a slave for you, baby, Ms Britney Spears
I'ma clubber,
she a Taurus bring it on for cheers
And I'm sexy like Christina when I dip it low
Not an H-town girl, but I rodeo
Yippee-ki-yay, welcome to the show
It's an all-girl party, clothing-optional
Me and your girlfriend playin' dress up
At my house
I gave your girlfriend
Cunnilingus on my couch
She cute, kawaii, hentai boobies,
That excites me

I think she really likes me,
Asked politely, can I (woo-hoo)
(Ooh, woo-oooh, woo-oooh) slumber party
(Ooh, woo-oooh, woo-oooh) slumber party
(Ooh, woo-oooh, woo-oooh) slumber party
(Ooh, woo-oooh, woo-oooh) slumber party
My girl look like Wednesday Addams
Eyes go black when she orgasms
Hide your back, she likes to stab them
My butt cheeks, she likes to grab
Matching pajama birthday suits
Her spit taste just like juicy fruit
She do that thing she usually do
Spell my name with her tongue, like (uh)
Me and your girlfriend playin'
Dress up at my house
I gave your girlfriend
Cunnilingus on my couch
She cute, kawaii, hentai boobies,
That excites me
I think she really likes me,
Asked politely, can I (woo-hoo)
(Ooh, woo-oooh, woo-oooh) slumber party
(Ooh, woo-oooh, woo-oooh) slumber party
(Ooh, woo-oooh, woo-oooh) slumber party
(Ooh, woo-oooh, woo-oooh) slumber party
I'm shy
I'm so shy, hahaha
