The kisses of the sun
Were sweet
I didn't blink
I let it in my eyes
Like an exotic dream
The radio playing songs
That i have never heard
I don't know what to say
Oh, not another word

Just-lalalalala
It goes around the world
Just- lalalalala
It's all around the world
Just lalalalala
And everybodys singing
Lalalalala
And now the bells are ringing
Lalalalalalal

Inside an empty room
My inspiration flows
Now wait to hear the tune
Around my head it goes
The magic melody
You want to sing with me
Just -lalalalala
The music is the key
And now the night is gone
Still it goes on and on
So deep inside of me
I long to set it free
I don't know what to do
Just can't explain to you
I don't know what to say
Oh not another world

Just-lalalalala
It goes around the world
Just- lalalalala
It's all around the world
Just lalalalala
And everybodys singing
Lalalalala
And now the bells are ringing
Lalalalalalal

The kisses of the sun
Aroundaroundaround the world
Lalalalala
It goes around the world
Just- lalalalala
It's all around the world
Just lalalalala
And everybodys singing
Lalalalala
And now the bells are ringing
Lalalalalalal
