

## A – ATC

The kisses of the sun  
Were sweet  
I didn't blink  
I let it in my eyes  
Like an exotic dream  
The radio playing songs  
That i have never heard  
I don't know what to say  
Oh, not another word

Just-lalalalala  
It goes around the world  
Just- lalalalala  
It's all around the world  
Just lalalalala  
And everybodys singing  
Lalalalala  
And now the bells are ringing  
Lalalalalalal

Inside an empty room  
My inspiration flows  
Now wait to hear the tune  
Around my head it goes  
The magic melody  
You want to sing with me  
Just -lalalalala  
The music is the key  
And now the night is gone  
Still it goes on and on  
So deep inside of me  
I long to set it free  
I don't know what to do  
Just can't explain to you  
I don't know what to say  
Oh not another world

Just-lalalalala  
It goes around the world  
Just- lalalalala  
It's all around the world  
Just lalalalala  
And everybodys singing  
Lalalalala  
And now the bells are ringing  
Lalalalalal

The kisses of the sun  
Aroundaroundaround the world  
Lalalalala  
It goes around the world  
Just- lalalalala  
It's all around the world  
Just lalalalala  
And everybodys singing  
Lalalalala  
And now the bells are ringing  
Lalalalalal
