

# Let It Burn – Avatar

You feel a sudden pain  
The night turns bright as day  
This shit is going straight  
Out of your mind  
You start to feel afraid  
It is the price you pay  
To get the thrill  
You need to stay alive  
Let it burn!  
Between the cuts and cries  
You'll find a way to die  
Just take a sip  
And twist it like a knife  
A city full of sound  
Too late to turn around  
You need to flee the light  
To save your life  
You like when it hurts?  
Let it burn!  
Let it burn!  
You ain't sure what came first  
Was it your flame or thirst?  
You need to please them both  
To put you out  
Another wasted youth  
You thought you'd seen the truth  
We need to find a voice  
To help you shout  
I like when it hurts!  
Let it burn!  
Burn!!!  
Let it burn  
Let it burn  
Let it burn  
Burn!!!  
Let it burn!

Let it burn!!  
Let it burn!!!  
I like when it hurts!!!  
Let it burn!
