## Afterlife – Avenged Sevenfold

Like walking into a dream, so unlike what you've seen So unsure but it seems, 'cause we've been waiting for you Fallen into this place, just giving you a small taste Of your afterlife here so stay, You'll be back here soon anyway

I see a distant light, but girl this can't be right Such a surreal place to see so how did this come to be Arrived too early

And when I think of all the places I just don't belong I've come to grips with life and realize This is going too far

I don't belong here, we gotta move on dear Escape from this afterlife

'Cause this time I'm right to move on and on, Far away from here

A place of hope and no pain, perfect skies with no rain Can leave this place but refrain, 'Cause we've been waiting for you Fallen into this place, just giving you a small taste Of your afterlife here so stay, You'll be back here soon anyway

This peace on earth's not right No pain or sign of time So out of place don't wanna stay, I feel wrong and that's my sign I've made up my mind

Gave me your hand but realize I just wanna say goodbye Please understand I have to leave and carry on my own life I don't belong here, I gotta move on dear Escape from this afterlife 'Cause this time I'm right to move on and on, Far away from here Got nothing against you and surely I'll miss you This place full of peace and light, and I'd hope you might Take me back inside when the time is right

Loved ones back home all crying 'cause They're already missing me I pray by the grace of God that There's somebody listening Give me a chance to be that person I wanna be Oh Lord I'll try so hard but you gotta let go of me

I don't belong here, I gotta move on dear Escape from this afterlife 'Cause this time I'm right To move on and on, far away from here Got nothing against you and surely I'll miss you This place full of peace and light, and I'd hope you might Take me back inside when the time is right
