

Hey Brother – Avicii

Hey, brother
There's an endless road to rediscover
Hey, sister
Know the water's sweet but blood is thicker

Oooh, if the sky comes falling down
For you
There's nothing in this world I wouldn't do

Hey, brother
Do you still believe in one another?
Hey, sister
Do you still believe in love, I wonder?

Oooh, if the sky comes falling down
For you
There's nothing in this world I wouldn't do

What if I'm far from home?
Oh brother I will hear you call
What if I'd lose it all?
Oh sister, I will help you out

Oooh, if the sky comes falling down
For you
There's nothing in this world I wouldn't do

Hey, brother
There's an endless road to rediscover
Hey, sister
Do you still believe in love, I wonder?

Oooh, if the sky comes falling down
For you
There's nothing in this world I wouldn't do

What if I'm far from home?
Oh brother I will hear you call
What if I'd lose it all?
Oh sister, I will help you out

Oooh, if the sky comes falling down
For you
There's nothing in this world I wouldn't do
