

# Head Above Water – Avril Lavigne

I gotta keep the calm before the storm  
I dont want less, I dont want more  
Must bar the windows and the doors  
To keep me safe, to keep me warm  
Yeah, my life is what I'm fighting for  
Can't part the sea, cant reach the shore  
And my voice becomes the driving force  
I won't let this pull me overboard  
God, keep my head above water  
Dont let me drown, it gets harder  
I'll meet you there at the altar  
As I fall down to my knees  
Don't let me drown, drown, drown  
Dont let me, don't let me, dont let me drown  
So pull me up from down below  
Cause I'm underneath the undertow  
Come dry me off and hold me close  
I need you now, I need you most  
God, keep my head above water  
Dont let me drown, it gets harder  
I'll meet you there at the altar  
As I fall down to my knees  
Dont let me drown, drown, drown  
Dont let me, dont let me, dont let me drown  
Don't let me drown, drown, drown  
Keep my head above water, above water  
And I cant see in the stormy weather  
I cant seem to keep it all together And I,  
I cant swim the ocean like this forever  
And I can't breathe  
God, keep my head above water  
I lose my breath at the bottom  
Come rescue me, I'll be waiting  
I'm too young to fall asleep  
God, keep my head above water  
Don't let me drown, it gets harder

I'll meet you there at the altar  
As I fall down to my knees Dont let me drown  
(Dont let me, dont let me drown)Don't let me Drown  
Keep my head above water, above water
