

Keep Holding on – Avril Lavigne

You're not alone
Together we stand
I'll be by your side, You know I'll take your hand
When it gets cold
And it feels like the end
There's no place to go, You know I won't give in
No, I won't give in

Keep holding on
Cause you know we'll make it through, We'll make it through
Just stay strong
Cause you know I'm here for you, I'm here for you
There's nothing you can say, Nothing you can do
There's no other way when it comes to the truth
So, keep holding on
Cause you know we'll make it through, We'll make it through

So far away
I wish you were here
Before it's too late, This could all disappear
Before the door's closed
And it comes to an end
With you by my side, I will fight and defend
I'll fight and defend, yeah, yeah

Keep holding on
Cause you know we'll make it through, We'll make it through
Just stay strong
Cause you know I'm here for you, I'm here for you,
There's nothing you can say, Nothing you can do
There's no other way when it comes to the truth
So, keep holding on
Cause you know we'll make it through, We'll make it through

Hear me when I say, When I say I believe
Nothing's gonna change, Nothing's gonna change destiny

Whatever's meant to be, Will work out perfectly

Yeah, yeah, yeah, yeah

La la la la, la la la la

La la la la la la la la la la

Keep holding on

Cause you know we'll make it through, We'll make it through

Just stay strong

Cause you know I'm here for you, I'm here for you

There's nothing you can say, Nothing you can do

There's no other way when it comes to the truth

So, keep holding on

Cause you know we'll make it through, We'll make it through

Keep holding on

Keep holding on

There's nothing you can say, Nothing you can do

There's no other way when it comes to the truth

So, keep holding on

Cause you know we'll make it through, We'll make it through
