

When You're Gone – Avril Lavigne

I always needed time on my own
I never thought I'd
need you there when I cry
And the days feel like years when I'm alone
And the bed where you lay
is made up on your side

When you walk away
I count the steps that you take
Do you see how much I need you right now?

[Chorus]

When you're gone
The pieces of my heart are missing you
When you're gone
The face I came to know is missing too
When you're gone
All the words I need to hear
To always get me through the day
And make it okay
I miss you

I've never felt this way before
Everything that I do
reminds me of you
And the clothes you left, they lie on my floor
And they smell just like you,
I love the things that you do

When you walk away I count the steps that you take
Do you see how much I need you right now?

[Chorus]

When you're gone
The pieces of my heart are missing you
When you're gone

The face I came to know is missing too
When you're gone
All the words I need to hear
To always get me through the day
And make it okay
I miss you

We were made for each other
Out here forever
I know we were
Yeah, yeah

And all I ever wanted was for you to know
Everything I do I give my heart and soul
I can hardly breathe,
I need to feel you here with me, yeah

[Chorus]

When you're gone
The pieces of my heart are missing you
When you're gone
The face I came to know is missing too
When you're gone
All the words I need to hear
Will always get me through the day
And make it okay
I miss you
