

As long as you love me – Backstreet Boys

As long as you love me

Although loneliness has always been a
Friend of mine
I'm leaving my life in your hands
People say I'm crazy and that I am blind
Risking it all in a glance
And how you got me blind is still a mystery
I can't get you out of my head
Don't care what is written in your history
As long as you're here with me

I don't care, who you are, where you're from
What you did as long as you love me
Who you are, where you're from
Don't care what you did as long as you love me

Every little thing that you have said and done
Feels like it's deep within me, ooh, ooh-oo
Doesn't really matter if you're on the run
It seems like we're meant to be

I don't care, who you are, where you're from
What you did as long as you love me (I know)
Who you are, where you're from
Don't care what you did as long as you love me (Yeah)
As long as you love me

I've tried to hide it so that no one knows
But I guess it shows when you look into my eyes
What you did and where you're coming from
I don't care as long as you love me, baby

I don't care, who you are, where you're from
What you did as long as you love me
Who you are

where you're from
Don't care what you did
as long as you love me, yeah

Who you are (Who you are) where you're from
What you did as long as you love me
Who you are (Who you are)
Where you're from
As long as you love me
Who you are(Who you are),
as long as you love me
What you did (I don't care)
As long as you love me
