

Get another boyfriend – Backstreet Boys

Hey

Let's talk about one, baby

You gotta hear me out

Did you really think I'd be the last to know

What it's all about

Let's talk about you

You say

He's the essence of your life

But he'll eat you up from inside slow

And then he doesn't want to know

I'm tellin' you he'll eat you up from inside

And then he doesn't want to know

Listen I mean it

There's nothin' that he's worthy of

He's just another player

Playing in the name of love

I've seen enough

Now this must come to an end

Get another boyfriend

Let's talk about what he's done

To become your number one

Or was it all the promises of diamonds, pearls and party

dresses That turn you on

I've seen it before

Anymore, free too

You're through for sure

Just go get on with your life

Stop acting like you've given up

I'm tellin' you to go get on with your life

Stop acting like you've given up

Listen I mean it (I mean it)

There's nothin' that he's worthy of

He's just another player (player)

Playing in the name of love

I've seen enough

Now this must come to an end (must come to an end)

Get another boyfriend

Hey

Hear me out

You must know (you must know)

What it's all about (baby)

That he's just a player in love (love)

This must come to an end

Get another boyfriend

Listen I mean it

There's nothin' that he's worthy of

He's just another player

Playing in the name of love

I've seen enough

Now this must come to an end

Get another boyfriend

Listen I mean it

There's nothin' that he's worthy of

He's just another player

Playing in the name of love

I've seen enough

Now this must come to an end

Get another boyfriend
