

Doomsday Blue – Bambie Thug

Avada Kedavra,
I speak to destroy
The feelings I have,
I cannot avoid
Through twisted tongues,
A hex deployed on you
That all the pretties
In your bed
Escape your hands
And make you sad
And all the things
You wish
You had
You'd lose
I,
I,
I know you're living a lie
I,
I,
I see the scars in your eyes
I,
I,
I know you're living a lie
I,
I,
I guess you'd rather have a
Star than the moon
I guess I always overestimate you
Hoodoo,
All the things that you do
I'm down, down
In my doomsday blue
Avada Kedavra,
The thoughts in my head
The places I touch
When lying in bed

The visions of you,
The words that you said, undo
My heartbeat buried
In the ground
And to the strings
I bind, you're bound
So when you sleep,
You'll hear the sound (ah!)
I,
I,
I know you're living a lie
I,
I,
I see the scars in your eyes
I,
I,
I know you're living a lie
I,
I,
I guess you'd rather have a
Star than the moon
I guess I always overestimate you
Hoodoo,
All the things that you do
I'm down, down
In my doomsday blue
I guess you'd rather have a
Star than the moon
I guess I always overestimate you
Hoodoo,
All the things that you do
I'm down, down
In my doomsday blue
For your romance,
I'd beg, steal and borrow
It's draining me hollow,
You
You slow dance me
Out of my sorrow
But your favourite colour compared

To the others is doom,
Doomsday blue
Blue
Blue
Blue, blue, blue, blue
Blue, blue, blue, blue
Blue, blue, blue, blue
Blue, blue, blue, blue
Avada Kedavra,
I speak to destroy!
