

# Doomsday Blue – Bambie Thug

Avada Kedavra,  
I speak to destroy  
The feelings I have,  
I cannot avoid  
Through twisted tongues,  
A hex deployed on you  
That all the pretties  
In your bed  
Escape your hands  
And make you sad  
And all the things  
You wish  
You had  
You'd lose  
I,  
I,  
I know you're living a lie  
I,  
I,  
I see the scars in your eyes  
I,  
I,  
I know you're living a lie  
I,  
I,  
I guess you'd rather have a  
Star than the moon  
I guess I always overestimate you  
Hoodoo,  
All the things that you do  
I'm down, down  
In my doomsday blue  
Avada Kedavra,  
The thoughts in my head  
The places I touch  
When lying in bed

The visions of you,  
The words that you said, undo  
My heartbeat buried  
In the ground  
And to the strings  
I bind, you're bound  
So when you sleep,  
You'll hear the sound (ah!)  
I,  
I,  
I know you're living a lie  
I,  
I,  
I see the scars in your eyes  
I,  
I,  
I know you're living a lie  
I,  
I,  
I guess you'd rather have a  
Star than the moon  
I guess I always overestimate you  
Hoodoo,  
All the things that you do  
I'm down, down  
In my doomsday blue  
I guess you'd rather have a  
Star than the moon  
I guess I always overestimate you  
Hoodoo,  
All the things that you do  
I'm down, down  
In my doomsday blue  
For your romance,  
I'd beg, steal and borrow  
It's draining me hollow,  
You  
You slow dance me  
Out of my sorrow  
But your favourite colour compared

To the others is doom,  
Doomsday blue  
Blue  
Blue  
Blue, blue, blue, blue  
Blue, blue, blue, blue  
Blue, blue, blue, blue  
Blue, blue, blue, blue  
Avada Kedavra,  
I speak to destroy!
