

# Fake Love – Bangtan Boys (BTS)

For you, I could pretend like I was happy when I was sad  
For you, I could pretend like I was strong when I was hurt  
I wish love was perfect as love itself  
I wish all my weaknesses could be hidden  
I grew a flower that can't be bloomed in a dream that  
Can't come true

I'm so sick of this fake love, fake love, fake love  
I'm so sorry but it's fake love, fake love, fake love

I wanna be a good man, just for you  
I gave the world, just for you  
I changed everything, just for you  
But I don't know me, Who are you?  
The forest just for us, you weren't there  
The route I took, I forgot  
I even became quite unsure of who I was  
Try babbling into the mirror, who the heck are you?

For you, I could pretend like I was happy when I was sad  
For you, I could pretend like I was strong when I was hurt  
I wish love was perfect as love itself  
I wish all my weaknesses could be hidden  
I grew a flower that can't be bloomed in a dream that  
Can't come true

Love you so bad, love you so bad  
Mold a pretty lie for you  
Love it's so mad, love it's so mad  
Try to erase myself and make me your doll  
Love you so bad, love you so bad  
Mold a pretty lie for you  
Love it's so mad, love it's so mad  
Try to erase myself and make me your doll

I'm so sick of this fake love, fake love, fake love

I'm so sorry but it's fake love, fake love, fake love

Why you sad? I don't know I don't know

Smile, say 'I love you'

Look at me, even I gave up on myself

Even you can't understand me

You say I'm unfamiliar, changed into the one you

Used to like

You say I'm not myself which you knew well

No? What do you mean no? I'm blind

Love? What the heck is love? It's all fake love

Woo, I dunno, I dunno, I dunno why

Woo, even I, even I don't know myself

Woo, I just know, I just know, I just know why

Cuz it's all fake love, fake love, fake love

Love you so bad, love you so bad

Mold a pretty lie for you

Love it's so mad, love it's so mad

Try to erase myself and make me your doll

Love you so bad, love you so bad

Mold a pretty lie for you

Love it's so mad, love it's so mad

Try to erase myself and make me your doll

I'm so sick of this fake love, fake love, fake love

I'm so sorry but it's fake love, fake love, fake love

For you, I could pretend like I was happy when I was sad

For you, I could pretend like I was strong when I was hurt

I wish love was perfect as love itself

I wish all my weaknesses could be hidden

I grew a flower that can't be bloomed in a dream that

Can't come true
