

Fake Love (XXXXXXXX) – Bangtan Boys (BTS)

For you I could pretend
I was happy I could hide away the sorrow
For you I could feign strength,
Numb the pain, and be the man you can depend on
I'm wishing lovin was perfect, I'm praying
You don't realize deep inside that I'm broken
I trusted in a dream, a hopeless cause
Now I watch the flowers as they wither

I'm so sick of this
Fake Love, Fake Love, Fake Love
I'm so sorry but it's
Fake Love, Fake Love, Fake Love

I wanna be a good one just for you
Give you the world love just for you
Forget who I was just for you
Now I don't know me, who are you?
Hey
Forest for us two, love where have you gone
I forgot the route, wandered now I'm lost
I'm starting to fade, to what you want to see
For your happiness, I have lost all of me

For you I could pretend
I was happy I could put away the sorrow
For you I could feign strength,
Numb the pain, and be the man you can depend on
Im wishing loving was perfect, still praying
You don't realize deep inside that I'm broken
I trusted in a dream, a hopeless cause
Now I watch the flowers as they wither

Love you so bad, Love you so bad
A perfect illusion created for you
Love you so mad, Love you so mad

A beautiful doll, in the image you drew
Love you so bad, Love you so bad
A perfect illusion created for you
Love you so mad, Love you so mad
A beautiful doll, thrown away when you're through

I'm so sick of this
Fake Love, Fake Love, Fake Love
I'm so sorry but it's
Fake Love, Fake Love, Fake Love

Why you sad? I don't know anymore
Smile for me, tell me how you love me now
Look at me, even I have given up
Where you at? Love you said you'd understand

You won't take my hand,
You're saying I'm not the guy that you used to love,
But how can you ask me that
When you were the one
Who ripped me apart?
What do you mean no love?
Was blinded by you
Is love even real I wonder?
It's all fake love

(Woo)
I dunno, I dunno, I dunno why
(Woo)
Who's the face, looking back, in the mirror
(Woo)
I just know, I just know, I just know why
Cuz its all Fake Love, Fake Love, Fake Love

Love you so bad, Love you so bad
A perfect illusion created for you
Love you so mad, Love you so mad
A beautiful doll, in the image you drew
Love you so bad, Love you so bad
A perfect illusion created for you

Love you so mad, Love you so mad
A beautiful doll, thrown away when you're through

I'm so sick of this
Fake Love, Fake Love, Fake Love
I'm so sorry but it's
Fake Love, Fake Love, Fake Love

For you I could pretend
I was happy I could put away the sorrow
For you I could feign strength,
Numb the pain, and be the man you depend on
I'm wishing lovin was perfect, I'm praying
You don't realize deep inside that I'm broken
I trusted in a dream a hopeless one
Now I watch the flowers as they wither
