

Fire – Bangtan Boys (BTS)

Set it on fire
Fire!

When I wake up in my room,
Got nothing to say
Once the sun goes with a boom,
I got nothing to see
Feeling so drunk, I'm struggling struggling,
Cursing out, rumbling rumbling,
Don't know what I'm saying,
I'm going insane
Drowning in chaos, living like beep

Do it how you want it,
Just live your life,
Even if you're losing,
It will be alright

Everybody say la la la la la, (la la la la la)
Say la la la la la, (la la la la la)
Put your hands up, and just shout it burn it up!

Set it on fire
Eh! E O E O
Let's just burn it all up, bow wow wow!
Eh! E O E O
Let's just burn it all up, bow wow wow!

Hey, burn it up,
Burn it up like you just don't care,
Hey, turn it up,
Til the sun rises up again
We can ride with the wave, we got energy,
Who you think you are? Why you talk like that?
Stop comparing, I am me, just me (So what?)

Do it how you want it,
Just live your life,
Even if you're losing,
It will be alright

Everybody say la la la la la, (la la la la la)
Say la la la la la, (la la la la la)
Put your hands up, and just shout it burn it up!

Set it on fire
Eh! E O E O
Let's just burn it all up, bow wow wow!
Eh! E O E O
Let's just burn it all up, bow wow wow!

Fire!
Let's just burn it all up, bow wow wow!
