

# I Only Wanna Be With You – Bay City Rollers

I don't know what it is  
That makes me love you so  
I only know I never want to let you go  
'Cause you started something, can't you see  
That ever since we met,  
You've had a hold on me?  
It happens to be true  
I only want to be with you  
It doesn't matter where you go or what you do  
I want to spend each moment  
Of the day with you  
Look what has happened with just one kiss  
I never knew that I could be  
In love like this  
It's crazy but it's true  
I only want to be with you  
You stopped, you smiled at me  
And asked me if I cared to dance  
I fell into your open arms  
I didn't stand a chance  
Now listen, honey  
I just want to be beside you everywhere  
As long as we're together,  
Honey, I don't care  
'Cause you started something, can't you see  
That ever since we met,  
You've had a hold on me?  
No matter what you do  
I only want to be with you  
You stopped, you smiled at me  
And asked me if I cared to dance  
I fell into your open arms  
I didn't stand a chance  
Now listen, honey  
I just want to be beside you everywhere  
As long as we're together,

Honey, I don't care  
'Cause you started something, can't you see  
That ever since we met,  
You've had a hold on me?  
No matter what you do  
I only want to be with you  
No matter, no matter what you do  
I only want to be with you  
Whoo  
No matter, no matter what you do  
I only want to be with you
