

# Guess I'm doing fine – Beck

There's a blue bird at my window  
I can't hear the songs he sings  
All the jewels in heaven  
They don't look the same to me  
I just waded the tides that turned  
Till I learn to leave the past behind  
It's only lies that I'm living  
It's only tears that I'm crying  
It's only you that I'm losing  
Guess I'm doing fine  
All the battlements are empty  
And the moon is laying low  
Yellow roses in the graveyard  
Got no time to watch them grow  
Now I bade a friend farewell  
I can do whatever pleases me  
It's only lies that I'm living  
It's only tears that I'm crying  
It's only you that I'm losing  
Guess I'm doing fine  
Press my face up to the window  
To see how warm it is inside  
See the things that I've been missing  
Missing all this time  
It's only lies that I'm living  
It's only tears that I'm crying  
It's only you that I'm losing  
Guess I'm doing fine
