## Massachusetts - Bee Gees

Feel I'm goin' back to Massachusetts Something's telling me I must go home And the lights all went out in Massachusetts The day I left her standing on her own Tried to hitch a ride to San Francisco Gotta do the things I wanna do And the lights all went out in Massachusetts They brought me back to see my Way with you Talk about the life in Massachusetts Speak about the people I have seen And the lights all went out in Massachusetts And Massachusetts is one place I have seen I will be back to Massachusetts (I will be back to Massachusetts) I will be back to Massachusetts
