You Will Be Found – Ben Platt, Kristolyn Lloyd, Will Roland, Laura Dreyfuss

Have you ever felt like nobody was there? Have you ever felt forgotten in the middle of nowhere? Have you ever felt like you could disappear? Like you could fall, and no one would hear?

Well, let that lonely feeling wash away
Maybe there's a reason to believe you'll be okay
'Cause when you don't feel strong enough to stand
You can reach, reach out your hand

And oh, someone will come running And I know, they'll take you home

Even when the dark comes crashing through When you need a friend to carry you And when you're broken on the ground You will be found

So let the sun come streaming in 'Cause you'll reach up and you'll rise again Lift your head and look around You will be found You will be found You will be found You will be found You will be found

There's a place where we don't have to feel unknown And every time that you call out You're a little less alone

If you only say the word

You will be found

From across the silence Your voice is heard Even when the dark comes crashing through When you need a friend to carry you When you're broken on the ground You will be found

So let the sun come streaming in 'Cause you'll reach up and you'll rise again If you only look around You will be found (You will be found) You will be found)

The morning is breaking
And all is new, all is new
It's filling up the empty
And suddenly I see
That all is new, all is new
You are not alone
You are not alone
You are not alone
You are not alone
You are not alone (You are not alone)
You are not alone (You are not alone)
You are not
You are not

Even when the dark comes crashin' through When you need someone to carry you When you're broken on the ground

You will be found!

Out of the shadows

So when the sun comes streaming in 'Cause you'll reach up and you'll rise again If you only look around You will be found
