

# Beautiful Things – Benson Boone

For a while there it was rough  
But lately I've been doing better  
Than the last four cold Decembers  
I recall

And I see my family every month  
I found a girl my parents love  
She'll come and stay the night  
I think I might have it all

And I thank god everyday  
For the girl he sent my way  
But I know the things he gives me  
He can take away

And I hold you every night  
That's a feeling I wanna get used to  
But there's no man as terrified  
As the man who stands to lose you

Oh I hope I don't lose you  
Mmm  
Please stay  
I want you I need you, oh God  
Don't take  
These beautiful things that I've got  
Please stay  
I want you I need you, oh God  
Don't take  
These beautiful things that I've got  
Whooo-oooh  
Please don't take

I found my mind I'm feeling sane  
It's been a while  
But I'm finding my faith

If everything's good and it's great  
Why do I sit and wait till it's gone  
Oh I'll tell ya I know I've got enough  
I got peace and I got love  
But I'm up at night thinking  
I just might lose it all

Please stay  
I want you I need you, oh God  
Don't take  
These beautiful things that I've got  
Whooo-oooh  
Ooooooh  
Please stay  
I want you I need you, oh God  
I need  
These beautiful things that I've got
