

Ave Maria – Beyoncé

She was lost in so many different ways
Out in the darkness with no guide
I know the cost of a losing hand
Never thought the grace of God go high

I found heaven on earth
You were my last, my first
And then I hear this voice inside
Ave Maria

I've been alone when I'm surrounded by friends
How could the silence be so loud?
But I still go home knowing that I've got you
There's only us when the lights go down

You are my heaven on earth
You are my hunger, my thirst
I always hear this voice inside
Singing Ave Maria

Sometimes love can come and pass you by
While you're busy making plans
Suddenly hit you and then you realize
It's out of your hands, baby you got to understand

You are my heaven on earth
You are my last, my first
And then I hear this voice inside
Ave Maria
