

Flaws and all – Beyoncé

I'm a trainwreck in the morning
I'm a bitch in the afternoon
Every now and then, without warning
I can be really mean towards you
I'm a puzzle, yes, indeed
Ever complex in every way
And all the pieces aren't even in the box
And yet, you see the picture clear as day

Chorus

I don't know why you love me
And that's why I love you
You catch me when I fall
Accept me flaws and all
And that's why I love you
And that's why I love you
And that's why I love you

Verse 2

I neglect you when I'm workin'
When I need attention, I tend to nag
I'm a host of imperfection
And you see past all that
I'm a peasant by some standards
But in your eyes, I'm a queen
You see potential in all my flaws
And that's exactly what I mean

Chorus

I don't know why you love me
And that's why I love you
You catch me when I fall
Accept me flaws and all
And that's why I love you
And that's why I love you
And that's why I love you

Instrumental Break

Chorus

I don't know why you love me

And that's why I love you
You catch me when I fall
Accept me flaws and all
And that's why I love you
And that's why I love you
And that's why I love you, you, you, you

Outro

You, you, you
You, you, you, you
You, you, you
You
