Halo – Beyoncé

Remember those walls I built Well, baby, they're tumbling down And they didn't even put up a fight They didn't even make a sound I found a way to let you win But I never really had a doubt Standing in the light of your halo I got my angel now It's like I've been awakened Every rule I had you breaking It's the risk that I'm taking I ain't never gonna shut you out Everywhere I'm looking now I'm surrounded by your embrace Baby, I can see your halo You know you're my saving grace You're everything I need and more It's written all over your face Baby, I can feel your halo Pray it won't fade away I can feel your halo (halo) halo I can see your halo (halo) halo I can feel your halo (halo) halo I can see your halo (halo) halo Hit me like a ray of sun Burning through my darkest night You're the only one that I want Think I'm addicted to your light I swore I'd never fall again But this don't even feel like falling Gravity can't forget To pull me back to the ground again Feels like I've been awakened Every rule I had you breaking The risk that I'm taking I'm never gonna shut you out

Everywhere I'm looking now I'm surrounded by your embrace Baby, I can see your halo You know you're my saving grace You're everything I need and more It's written all over your face Baby, I can feel your halo Pray it won't fade away I can feel your halo (halo) halo I can see your halo (halo) halo I can feel your halo (halo) halo I can see your halo (halo) halo I can feel your halo (halo) halo I can see your halo (halo) halo I can feel your halo (halo) halo I can see your halo (halo) halo Halo, halo Ooh, ooh, ooh, ooh Everywhere I'm looking now I'm surrounded by your embrace Baby, I can see your halo You know you're my saving grace You're everything I need and more It's written all over your face Baby, I can feel your halo Pray it won't fade away I can feel your halo (halo) halo I can see your halo (halo) halo I can feel your halo (halo) halo I can see your halo (halo) halo I can feel your halo (halo) halo I can see your halo (halo) halo I can feel your halo (halo) halo I can see your halo (halo) halo
