

Sandcastles – Beyoncé

We build sand castles
That washed away
I made you cry
When I walked away
And although I promised
That I couldn't stay
Every promise don't work out that way
Every promise don't work out that way

Dishes smashed on my counter
From our last encounter
Pictures snatched out the frame
Bitch I scratched out your name
And your face
What is it about you?
That I can't erase baby
When every promise don't work out that way
No no baby
When every promise don't work out that way

And your heart is broken
Cause I walked away
Show me your scars
And I won't walk away
And I know I promised that I couldn't stay
Every promise don't work out that way
Every promise don't work out that way
