

# Birds of a feather – Billie Eilish

I want you to stay  
'Til I'm in the grave  
'Til I rot away, dead and buried  
'Til I'm in the casket you carry  
If you go, I'm going too, uh  
'Cause it was always you, alright  
And if I'm turning blue, please don't save me  
Nothing left to lose without my baby  
Birds of a feather,  
We should stick together, I know  
I said I'd never think I wasn't better alone  
Can't change the weather,  
Might not be forever but if it's forever,  
It's even better  
And I don't know what I'm crying for  
I don't think I could love you more  
It might not be long, but baby, I  
I'll love you 'til the day that I die  
'Til the day that I die  
'Til the light leaves my eyes  
'Til the day that I die  
I want you to see, hm  
How you look to me, hm  
You wouldn't believe if I told ya  
You would keep the compliments I throw ya  
But you're so full of shit, uh  
Tell me it's a bit, oh  
Say you don't see it, your mind's polluted  
Say you wanna quit, don't be stupid  
And I don't know what I'm crying for  
I don't think I could love you more  
Might not be long, but baby, I  
Don't wanna say goodbye  
Birds of a feather,  
We should stick together, I know  
( 'til the day that I die)

I said I'd never think I wasn't better alone  
( 'til the light leaves my eyes)  
Can't change the weather,  
Might not be forever but if  
( 'til the day that I die)  
It's forever, it's even better  
I knew you in another life  
You had that same look in your eyes  
I love you, don't act so surprised
