

Birds Of A Feather – Billie Eilish

I want you to stay
Till I'm in the grave
Till I rot away, dead and buried
Till I'm in the casket you carry

If you go, I'm going too, uh
'Cause it was always you, alright
And if I'm turning blue, please don't save me
Nothing left to lose without my baby

Birds of a feather
We should stick together, I know
I said I'd never
Think I wasn't better alone
Can't change the weather
Might not be forever
But if it's forever
It's even better

And I don't know what I'm crying for
I don't think I could love you more
It might not be long, but baby, I
I'll love you 'till the day that I die

Till the day that I die
Till the light leaves my eyes
Till the day that I die

I want you to see, hm
How you look to me, hm
You wouldn't believe if I told ya
You would keep the compliments I throw ya

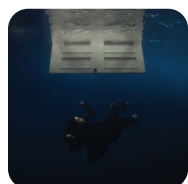

But you're so full of shit, uh
Tell me it's a bit, ohh
Say you don't see it, your mind's polluted

Say you wanna quit, don't be stupid

And I don't know what I'm crying for
I don't think I could love you more
It might not be long, but baby, I
Don't wanna say goodbye

Till the day that I die
Till the light leaves my eyes
Till the day that I die

I knew you in another life
You had that same look in your eyes
I love you, don't act so surprised
