

# Birds Of A Feather – Billie Eilish

I want you to stay  
Till I'm in the grave  
Till I rot away, dead and buried  
Till I'm in the casket you carry

If you go, I'm going too, uh  
'Cause it was always you, alright  
And if I'm turning blue, please don't save me  
Nothing left to lose without my baby

Birds of a feather  
We should stick together, I know  
I said I'd never  
Think I wasn't better alone  
Can't change the weather  
Might not be forever  
But if it's forever  
It's even better

And I don't know what I'm crying for  
I don't think I could love you more  
It might not be long, but baby, I  
I'll love you 'till the day that I die

Till the day that I die  
Till the light leaves my eyes  
Till the day that I die

I want you to see, hm  
How you look to me, hm  
You wouldn't believe if I told ya  
You would keep the compliments I throw ya

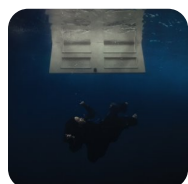

But you're so full of shit, uh  
Tell me it's a bit, ohh  
Say you don't see it, your mind's polluted

Say you wanna quit, don't be stupid

And I don't know what I'm crying for  
I don't think I could love you more  
It might not be long, but baby, I  
Don't wanna say goodbye

Till the day that I die  
Till the light leaves my eyes  
Till the day that I die

I knew you in another life  
You had that same look in your eyes  
I love you, don't act so surprised
