

# Happier Than Ever – Billie Eilish

When I'm away from you  
I'm happier than ever  
Wish I could explain it better  
I wish it wasn't true, mm-hmm  
Give me a day or two  
To think of something clever  
To write myself a letter  
To tell me what to do, mm-hmm  
Do you read my interviews? Or do you  
Skip my avenue?  
When you said you were passing through,  
Was I even on your way?  
I knew when I asked you to  
be cool about what I was telling you  
You'd do the opposite of  
What you said you'd do  
And I'd end up more afraid  
Don't say it isn't fair  
You clearly weren't aware that you  
Made me miserable, ooh  
So if you really wanna know  
When I'm away from you  
I'm happier than ever  
Wish I could explain it better  
I wish it wasn't true, mm-hmm

You called me again, drunk in your Benz  
Driving home under the influence  
You scared me to death,  
But I'm wasting my breath  
'Cause you only listen  
To your fucking friends  
I don't relate to you  
I don't relate to you, no  
'Cause I'd never treat me this shitty  
You make me hate this city

And I don't talk shit about  
You on the internet  
Never told anyone anything bad  
'Cause that shit's embarrassing,  
You were my everything  
And all that you did was make me fucking sad  
So don't waste the time I don't have  
Don't try to make me feel bad  
I could talk about every time  
That you showed up on time  
But I'd have an empty line,  
'cause you never did  
Never paid any mind to my mother or friends,  
So I  
Shut 'em all out for you 'cause I was a kid  
You ruined everything good  
Always said you were misunderstood  
Made all my moments your own  
Just fucking leave me alone
